## 1. SIGN IN PROCESS

### 1.1 Sign-In

If you have already registered on eShop you need to use your email address and password to log in, then please click on the **SIGN IN** button

## SIGN IN TO YOUR INVESTOR ACCOUNT

**Username**

**Password** [Forgot Password?](#)

**SIGN IN** [New to INEOS Styrolution?  
Investor Registration](#)

### 1.2 Select Sold-To

You will see your Sold-To details by default

## SELECT SALES REGION & SOLD-TO

[Contact Infopoint](#)

If your account is assigned to more than one Sold-To you can choose while signing in your Sold-To. After Sign in you can change the Sold-To with the **Change Sold-To** option at the top of the page

### 1.3 Check if you have an Active cart

After signing in with your username and password, INEOS Styrolution will check, if an Active Cart exists from your former user session. If you have an Active Cart for Sales Region / Sold-To an alert will be displayed

Please choose one of two options, in order to continue:

- 1) **Continue with Active Cart** within the preselected sales region: No changes are possible; you will proceed with the preselected data
- 2) **Delete Active Cart** to select a new sales region / sold-to: A new layer will open where you can change the sales region and sold-to. Your active cart and all included line items will be removed and you can start creating a new cart for the selected Sales region / Sold-to

## 2. MY ESHOP

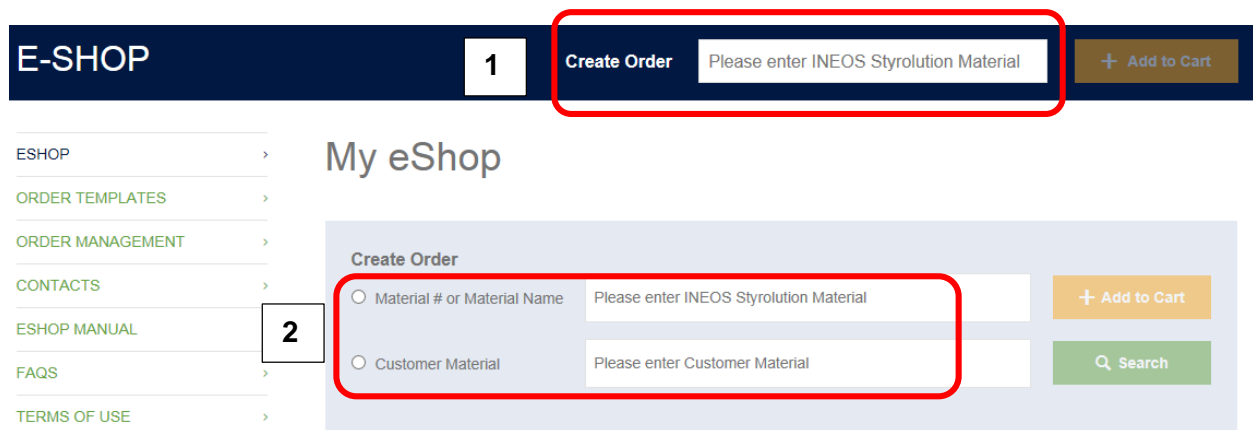

After signing in successfully you will see INEOS Styrolution eShop Homepage.

The page provides entry points to create an order and to overview the order status:

### 2.1 Create Order

You can search a product by material number or material name using the **Create Order** (1) field. Suggested list of products appears after 3 characters. Please select one material from the list and select the "**Add to Cart**" button. The Shopping cart will be displayed with your selected material.

**Note:** You can also search by **Customer Material name** or **Customer Material number** (2). However only in case your material name is set in our SAP system – this can be checked with your customer service contact.

Select one of the products and click the button "Add to Cart". You will find the added article listed in your cart.

### 2.2 Your Recommended and Personalized Order Templates

Order Template is a combination of Sold-To + Ship-To + Material. The "Order Templates" option gives an access to your most recent Recommended and Personalized Order Templates.

The **Recommended Order Templates** are based on the history of orders placed within the past 12 months.

Select the required templates
